

**American University Neighborhood Partnership
Facilities Planning Working Group Summary**

May 15, 2019

Key Discussion Points:

- AU Facilities and Planning
- Recruitment of Working Group Members

Summary: The guiding principles of the Facilities Planning presentation breaks into four (4) maps designating: use by category, height of buildings, gross floor area, and buildings built under the 2011 Campus Plan. The group discussed the process of getting the campus plan approved through the Zoning Commission and how amendments are added after the initial plan is approved. Next the meeting focused on ways the Neighborhood Partnership can reach out to other community members and encourage participation and representation. There was an additional question and answer session where Westover representatives discussed various concerns about the impact AU's East Campus has on the community. There was also a discussion over AU's student enrollment numbers.
