

American University Neighborhood Partnership Steering Committee Summary

June 22, 2022

Key Discussion Points:

- Welcome, review agenda
- Report Out on Informal Discussions
- Jacobs Field Next Steps
- Closing Comments and Adjourn

Summary: The June Steering Committee kicked off with a report out from Ed Fisher, William Clarkson and Chuck Elkins on the discussions had since the last Steering Committee regarding implementation of a resolution process. Following that, Jonathan McCann, AU's Facilities Planning co-chair presented on the key deadlines and conditions coming up for the Jacobs Field project, taking questions and comments from the neighbors. The meeting closed out with a look to future Partnership and CLC events.
