- Welcome, review agenda
- Working Group Report Outs:
 - Facilities Planning
 - Student Life and Safety
 - Engagement and Communications
 - Transportation and Parking
- AUNP Orientation Recap
- Enrollment Preview
- Closing Comments and Adjourn

Summary: The September Steering Committee meeting kicked off with a welcome from the co-chairs and Don Edwards. Next the co-chairs of each working group have verbal updates on the work that had taken place over the Summer and start of Fall, this included updates on the Meltzer Center for Athletic Performance and the Jacobs Field sound barrier project. Next, Don recapped the AU Partnership orientation sessions held through the month of September. Following this, Gwen Coleman updated the Steering Committee on various community engagement initiatives going on across AU. The meeting closed out with Cory Peterson giving a brief overview of AU's Fall enrollment numbers which will be reported out at the November CLC meeting.
