

American University Neighborhood Partnership Steering Committee Summary

Sept. 6th, 2022

Key Discussion Points:

- Welcome, review agenda
- Working Group Report Out
 - Facilities Planning
 - Student Life and Safety
- Discussion on Response to Neighbor Memo
- Closing Comments and Adjourn

Summary: The September Steering Committee began with a report out from Natalie Ambrose and Jonathan McCann, co-chairs of the Facilities Planning working group, on their continuing discussions of the Jacobs Field project, including details on AU's plans to file a Further Processing Application by September 14th. The Student Life and Safety co-chairs next briefed the group on their progress since the last meeting, detailing AU's plans for enhanced outreach with neighbors who file a complaint. Next, Ed Fisher led a discussion on amending the Partnership's terms of reference to include a section on reaching resolutions when an impasse occurs between Partnership co-chairs as well as clarifying project roles, support, and procedures moving forward. The meeting closed out by previewing the next CLC meeting on September 13th.
