

**American University Neighborhood Partnership
Student Life and Safety Working Group Summary**

March 16, 2021

Key Discussion Points:

- Welcome and Introductions
- Defining Success for AU's Student Life Program
- Possible Issues and Priorities for the Working Group

Summary: After introductions, the Student Life and Safety group's co-chairs lead a discussion on what success would look like for the Working Group moving forward and possible metrics for measuring success, taking suggestions from members. Next, there was a group discussion on possible issues the Working Group should prioritize through 2021; this addressed topics such as student issues around COVID-19, multi-unit housing outreach and the neighborhood education program. The meeting closed out with a preview of key partnership dates on the horizon.
