

TIPS TO PREVENT PEST ACTIVITY IN DORM ROOMS

Store all food in sealed containers made of heavy plastic, metal, or glass.

Do not leave crumbs, dirty dishes, or pizza boxes out overnight. Dispose of them in the proper trash or recycle containers.

In lounge areas, clean sinks, countertops, and stove top areas. Check for spilled food in cabinets, on the floor, and behind the stove.

Remove or store items that you are not currently using as clutter can attract pests.

Report any pest sightings to 2Fix.
