

ROBERT B. KOOPMAN
Hurst Distinguished Professorial
Lecturer
School of International Service,
American University
Former Chief Economist, World Trade
Organization
and US International Trade
Commission
Koopman@american.edu
+1(571)228-217

Professional Summary

- Global leader in innovative applied economic research and analysis on global economic and trade related topics aimed at policy and decision makers for over 35 years.
- Frequent invited keynote speaker for business and non-governmental organizations, including The Economist, Moody's, The CityUK, Australia CFO Forum, China Finance 40, Asia House, Keuhne Foundation, etc.
- Frequent contributor/interviewee to news outlets, including BBC, Bloomberg, FT, CGTN, Deutsche Welle, etc.
- Integrated perspective and experience in economics, public policy, business, organizational leadership, and international relations.

Related Experience

WTO Chief Economist and Director of the Economic Research and Statistics Division, 2014 – 2022.

- Lead a research and statistics team while developing strategic research and data analysis agendas.
- WTO G20 representative to Trade and Investment and Framework Working Groups. Successfully positioned WTO to return to Finance Ministers track.
- Published 7 annual flagship [World Trade Reports](#) on forward looking topics. Revamped and updated [WTO trade forecasting](#) efforts.
- Initiated and led efforts to revamp WTO statistical capabilities through integration of data science and data analysis of real time, large data sets.
- Organized and implemented innovative cross cutting [WTO COVID-19 Trade Monitoring Group](#) as the main WTO Secretariat response to the COVID-19 crisis.
- Co-coordinator of regular WTO COVID-19 Vaccine Summit meetings with pharma CEOs and WTO representative to [Multilateral Leaders Task Force secretariat](#).

WTO Chief economic counselor and informal advisor on strategic and operational issues to Director Generals Roberto Azevedo and Ngozi Iweala-Okonjo.

- Highest performance reviews and critical member of senior leadership team
- Highly valued and trusted economic and strategy advisor to the DG.
- Helped develop an innovative strategic approach to trade negotiations focused on new issues and like-minded countries aimed at breaking negotiating logjam at the WTO.

WTO G20 representative to Framework Working Group (FWG) and Trade and Investment Working Group (TIWG).

- Formulated and implemented the WTO approaches to these working groups.
- Developed and proposed highly successful, collaborative approach to International Organization co-operation and coordination to support the TIWG across 5 G20 presidencies.
- Success in TIWG led to WTO being invited to join the G20 macro finance track.

USITC Chief Operating Officer and Director of Office of Operations, 2011-2014.

- Building on long standing research and organizational success as Chief Economist was tasked with bringing enhanced coherence to the wide set of operational divisions at the USITC.
- Implemented an integrated strategic planning and risk management framework approach and ensured buy in by staff and other C suite officers.
- Built strong credibility with United States Trade Representative, House Ways and Means, Senate Finance Committees and other important trade stakeholders.

USITC Chief Economist and Director of Office of Economics, 1999-2011. Lead a large team of economists working on customer requested research studies, contributing to administrative legal operations around trade remedies, and providing staff assistance to various trade negotiating efforts by USTR.

USDA CSREES (now NIFA) 1996-1999 – Deputy Administrator, Economic and Community Systems.

USDA Economic Research Service 1985-1996 –

Deputy Director for Research, Commercial Agriculture Division
Chief, Europe Africa, Middle East Branch
Section Leader, Central and East European Section
Researcher, Agricultural Trade Policy Division
Researcher, Soviet Union Section
